B.V.A (Animation and Multimedia) and B.V.A. (Interior Design and Spatial Design)

**Remark by NAAC:** programmes have been mentioned in the online receipt of University affiliation fees for the year 2021-22. These two programmes have not been mentioned in IIQA and the website, kindly clarify.

**Response:** As per our Management directions, we have applied for additional course combination B.V.A (Animation and Multimedia) and B.V.A (Interior and Spatial Design) with Bangalore University with effect from the academic year 2021-22. Since we have just applied and so far no process took place from University regarding its approval, we did not mention anything about the additional course in IIQA. However, the additional course combination applied is reflected in page number 4 of online affiliation application submitted for the year 2021-22, which is uploaded in IIQA. Further, as we have not got approval for the additional course combination applied till date, we did not mention anything about B.V.A course in our website. This is for your kind information. Thank you Principal
